Dear Major General Wong,

The 100th Anniversary of the Army Dental Corps is an occasion for great celebration. I would like to extend my congratulations and those of the AMEDD Civilian Corps to you and the Dental Corps. The history of your Corps is a replete with greatness in every area from clinical feats to acts of bravery and great leadership. I have watched Dental Corps officers and enlisted personnel bring comfort to deployed Soldiers, to include saving the life of an allied Soldier. You have earned great respect for your expertise, caring, and major contributions to force readiness.

Thank you for your leadership in the Corps and to all its members for always putting Soldiers and Army Families first. Your accomplishments have been absolutely outstanding. The Army Dental Corps is a key element of our transformed Army's future and I firmly believe your greatest accomplishments are yet to come.

*Congratulations
to a great Corps and
a great leader!*

Sincerely,

Gregg Stevens
