TO THE DENTAL CORPS, US ARMY:

Congratulations on reaching your centennial!
For 100 years you and your mission have been
critical to the mission readiness and accomplishment
of our Army. In war and peace, on the battlefield
and in garrison you have been there to preserve our
oral health and return us to health. On behalf
of the entire Medical Service Corps, thank you for
our special relationship. Hoorah!

ARMY MEDICINE,
ARMY STRONG!
